ATI RUDRA MAHA YAJNA

Zagreb, Croatia, from 17th to 27th of July 2018

Newsletter on 11th of March 2018

Dear brothers and sisters,

With Bhagawan's immense grace and blessings, a new era is on the horizon. In Sanskrit this is called Ugadi which happens to be on March 18, 2018. This day will also mark a beginning of our 121 day of daily sadhana as spiritual preparation for this sacred event. Happy Ugadi to all of you and your loved ones!

For all those that were present at the Rudram 11 event in Zagreb, on Mar 3rd and 4th, this was undoubtedly the experience - A New Era has begun; the experience of 300+ devotees coming together with soil from 18 countries in and around Europe and water from 31 rivers with gratitude for concluding Veda Union project of 11 Rudram 11 offering at 11 European countries. Looking at spiritually united Europe at this event, words can not express our sincere joy and happiness, for Swami has fulfilled the mission and vision of Veda Union which was set up almost a decade ago: *'Veda Union will unite Europe on spiritual level promoting unity, love and peace among all through the teachings of the Veda and recitation of sacred Veda mantras'*.

This Ati Rudra Maha Yajna near Zagreb, Croatia (Z-ARMY) is an offering to God, a prayer of Europe for spiritual unity and for universal peace and harmony. It will also commemorate a decade of Sadhana as Veda Union and the Centennial of Shirdi Sai Aradhana (Mahasamadhi). July 27th 2018 is Gurupurnima day and on this day we will have Mahapurnahuti of the Yajna, Grand Offering & Surrender at His Lotus feet. Most importantly, Bhagwan is preparing all of us to be ready as His instruments for the advent and mission of Prema Sai across the globe.

With Love,

The Veda Union team.
